

US Legal Forms for businesses of all sizes and industries

Not every business can afford its own in-house legal counsel. Nor does every business need legal counsel on a full-time basis. However, in many situations, businesses of all sizes and sectors may need to find and/or create legal templates or legal business forms.

US Legal Forms is the largest online library of such forms and a one-stop-shop for state-specific template documents that companies and business personnel can access at any time.

A single source for business agreements and other printable business forms

01 Time-saving and cost reduction with a DIY solution

Of course, you can always outsource reporting. But will you always be able to afford it? Also, do you have time to search for a reliable contractor? With US Legal Forms, you can prepare documents yourself — quickly and easily.

03 Edit, eSign, and notarize online

US Legal Forms offers integrations with pdfFiller, signNow, and Notarize. Edit a sample document in pdfFiller, eSign it in signNow, if needed, notarize online with Notarize. Try an all-in-one solution at your fingertips.

02 Thousands of forms for every business situation possible

US Legal Forms is the largest online library of sample agreements and other business templates in the US. Find every form you need to start your own business and keep it going.

04 Decades of uninterrupted service

The US Legal Forms library has been on the market since 1997 and boasts a security record of zero cases of data breaches, phishing or malware attacks. This rock-solid reputation is thanks to their banking-level security for data storage.

About US Legal Forms

US Legal Forms is a DIY solution for anyone looking for state-specific forms that are up to date and easy to find, edit, fill out, eSign, and notarize online. Whether the use case pertains to everyday life or work as an independent contractor or business owner, US Legal Forms's digital library saves time and money by eliminating the need to find official forms with a lawyer.

Create your own business forms in three easy steps:

- 1 Select your state, type in the name of a form, or keywords to simplify the search, and select a template from the list of suggested options.
- 2 Input the data you need using pdfFiller, an online PDF editor. You can also add sticky notes with your comments, highlight essential details, and so on.
- 3 If the form needs to be signed, switch to signNow to add your own signature or send the forms to your business partners for eSigning.

What do businesses have to say about US Legal Forms?

“

I just wish I found the site earlier! Spent several late nights googling various forms and trying to figure out where to even start. US Legal has been my saver for months now.

Scott A. | Owner of a staffing agency

“

They know what they are doing. I solved the issue of property abandonment in the state of Louisiana. After using US Legal Forms, I realized that this site is professional and organized. The platform is great if you do not want to hire a lawyer and it helps with filling out official documents by yourself.

Tina R. | Real estate agent
